BOWLING

December 17, 2009

After completing a unit on bowling in their P.E. class and practicing in the gym, Middle School students were taken to a local bowling alley to bowl a few rounds.

THE DORM CHRISTMAS PARTY

The Middle School had a Christmas party. We all enjoyed the Christmas party. We had a dinner. We ate spaghetti, garlic bread, and dessert.

We had presents. The presents came from Hallmark (the card store). Each student pulled a number to see

who would pick their present first. For example: that person who had number one on the small paper, the number one would be pick presents first. That's how it progressed with the presents. We enjoyed the dinner, presents, and party.
